

# Hearing Well Helps You Live Well

Good hearing is important to your health. That's why Network Health partners with TruHearing® to offer your hearing benefit. This includes an annual routine hearing exam for \$0 when you see an in-network provider. To find a location near you and schedule your appointment, call TruHearing at **877-759-8131 (TTY 711)**, Monday-Friday from 8 a.m. to 8 p.m. Once you're at the appointment, present your Network Health member ID card and the provider will handle the rest.

## TruHearing®

If you choose to see an out-of-network provider for a routine hearing exam, you will pay \$40.\* At your appointment, you should show your Network Health ID card. Your out-of-network provider may bill Network Health directly for your service, or may require you to pay the full amount of your visit up-front. If this happens, you can submit your claim to Network Health for reimbursement using the form found at [networkhealth.com/medicare/additional-benefits](http://networkhealth.com/medicare/additional-benefits).

## Hearing Aids

Your hearing benefit includes high-quality hearing aids at reduced prices.

Level	Cost	Features
Basic	\$679 per aid	Moderately priced devices that offer exceptional value
Standard	\$1,179 per aid	Devices with good hearing performance and features such as wind and noise reduction
Advanced	\$1,679 per aid	Advanced devices equipped to handle challenging listening environments
Premium	\$2,299 per aid	Full-featured devices that offer top-of-the-line hearing in all listening environments

You can get up to two hearing aids per year, and each aid includes these great extras.

- Unlimited follow up visits for one year after purchase, for fitting and adjustments
